Statement issued pursuant to directives of the Privacy in compliance with art. 13 of the Privacy Decree. N. 196/2003

This website uses cookies in order to provide better service and to help you make the most of navigating our site. Below we provide you with clear and detailed information about what cookies are, what they do, the types of cookies we use, why we use them and how to configure or disable them.

What are cookies and what are they used for?
A cookie is a small text file stored on your PC, tablet, smartphone or any device with navigation information. The set of "cookies" of our users helps us improve the quality of our website, letting us see which pages are useful, which are not and what could be improved. Cookies are essential to the operation of the Internet, providing many advantages in the field of interactive services, easier navigation and the use of our web page. Cookies cannot harm your pc.

Which cookies do we use and why
The following types of cookies:
SESSION (OR TECHNICAL) COOKIES: temporary cookies that allow the user to access personalized services and to take full advantage of the site's features.

ANALYTICAL COOKIES: allow you to quantify the number of users and make statistical analysis on the activity and use of users of the service provided. The analysis of the navigation on our website is used to improve the supply of products and services offered.

THIRD PARTY COOKIES: are those that our trading partners introduce the visitor's computer or other device, such as those used by social networks or to external content such as Google Maps.

- Facebook
- Twitter
- Google
- Vimeo
- AddThis

The use of these cookies is purely anonymous, personal information is not collected unless the user explicitly provides it while sending contact forms or information request. Concerning the private data management policy, refer to the section on privacy on our site.

How can I disable or delete cookies?
You can allow, block or remove cookies installed on your computer by modifying the configuration of options of your browser. However, if you disable or delete cookies you may not be able to access certain areas of the website or use some of the services offered. For further information about cookie management, please see the instructions of your browser.
